Remarks by Hearing Officer McCambridge.... 4 - 7

E X H I B I T S

Marked Admitted

(None) .

1 HEARING OFFICER MCCAMBRIDGE: Let
2 the record show that it's 1:15. This is the
3 hearing in R14-7, caption, Definition of VOM
4 Update, USEPA Regulations, January 1st, 2013
5 through June 30th, 2013 and August 28th, 2013.

6 During the time USEPA exempted a
7 series of chemical compounds. On February 2nd --
8 or 12th of 2013 -- let's see here -- USEPA
9 exempted four compounds. They exempted them by
10 chemical formula or alternative -- the USEPA did
11 give some alternative common names. The best I
12 could do for formal chemical names are the
13 following: (difluoromethoxy) (difluoro)methane,
14 bis(difluoromethoxy) (difluoro)methane,
15 1,2-bis(difluoromethoxy)-1,1,2,2-tetrafluoroethane
16 -- and this one takes up a whole line by
17 itself --
18 1-(difluoromethoxy)-2-[(difluoromethoxy) (difluoro)
19 methoxy]-1,1,2,2-tetrafluoroethane.

20 In that action USEPA also
21 corrected a chemical name -- I'm not going to read
22 it right now, and in a subsequent action, on
23 August 28th, 2013, USEPA further exempted a fifth
24 compound, which is named

1 trans-1-chloro-3,3,3-trifluoroprop-1-ene.

2 The Board adopted the proposal
3 for public comment in this on September 5th. The
4 notice of proposed amendment appeared in the
5 September 20th, 2013, issue of the Illinois
6 Register. That means the public comment period in
7 this should end, I believe, November 4th or 5th
8 next week.

9 I -- subsequent to publication,
10 I received a series of corrections from JCAR, and
11 I believe that what JCAR gave me are actually
12 errors, but, for example, I -- the Board had
13 proposed amending a chemical formula C4F9OC2H5, to
14 use the lower case for the digits. JCAR failed to
15 over strike -- over strike the name that was being
16 changed or underline the name as it was being
17 changed to. And it was similar omissions with
18 regard to the chemical formulas for
19 1,1,1,2,2,3,3-heptafluoro-3-methoxypropane and
20 1,1,1,2,2,3,3,4,4-nonafluoro-4-methoxybutane.

21 Other than that, I -- you know,
22 I don't see -- I didn't -- we didn't get anything.

23 Oh, yes, and JCAR wanted -- 40
24 CFR 60 citation in Subsection B, JCAR wanted

1 uppercase changed to lowercase for Appendix A, and
2 then a couple lines down, USEPA wanted lowercase
3 for Subpart I to 40 CFR 51 and lowercase
4 Appendix S for the same 40 CFR 51.

5 And since this is the second
6 hearing, I might as well introduce myself. I am
7 Mike McCambridge. I am the hearing officer.
8 Sitting next to me is attending Board Member
9 Jennifer Burke.

10 For this record, could the
11 Agency identify themselves?

12 MR. MATOESIAN: I am Charles
13 Matoesian. I am an attorney appearing for the
14 Illinois Environmental Protection Agency. I have
15 Yoginder Mahagjan to my left. He is an engineer
16 with the Air Quality Planning Division, and again,
17 Jackie Sims, to my right, who is also an engineer
18 in the Air Quality Planning Division.

19 HEARING OFFICER MCCAMBRIDGE:
20 Mr. Matoesian, do you have anything?

21 MR. MATOESIAN: No. We have no
22 comments.

23 HEARING OFFICER MCCAMBRIDGE: No
24 comments?

1 MR. MATOESIAN: Yes.

2 HEARING OFFICER MCCAMBRIDGE: In
3 that case, we will conclude this second hearing of
4 the day.

5 MR. MATOESIAN: All right. Thank
6 you.

7 HEARING OFFICER MCCAMBRIDGE: Thank
8 you.

9 (END OF PROCEEDINGS.)
